Перечень заданий:

Задание №1

Напишите письмо другу о своей семье по образцу.

42, Bobrov Street,
Borisovka,
Russia
17/06/2020

Dear Benjamin,

Thanks for your letter. You know I live in a big family, so I have to share a room with a brother or stay with a sister in the evening when our parents have a chance to go to the theatre or any other place. I should say it's very cool to have somebody you can take care of or share your interests. My brother Tom and me have the same hobby of collecting small chocolates. When we have more than thirty we make a kind of party and eat them all. We sometimes give one or two to my sister. She always looks forward to such occasions.

Now tell me about that sports club. How can you train there? What workinhs hours does it have? Can you have a personal tutor there?

Hope to hear from you soon!

Best wishes,

Victor

Letter of application

Dear Ms Roberts, I am writing in reply to your advert for the above post,

which was advertised in The Guardian on Tuesday 30 April 2007, and I enclose my CV in application.

I am currently in the final year of a BA (Hons) course in Business Economics at City University, Bristol,

and expect to graduate in June 2007. I have always wanted to pursue a career as an economist within

an international environment and have been able to tailor my studies to that end. I have obtained A grades

in the Economic Data Analysis, International Economics, and Economics of Business Strategy modules, and am currently

completing a dissertation on the growth of e-commerce in the European Union. I am fluent in spoken and written Spanish,

having built on my A-level proficiency in that subject when working in Spain and Mexico. In addition to the qualifications

and abilities outlined above, I have kept my IT skills fully up to date (including MS Excel and Access) and am competent in

a wide range of business data analysis operations. The post also requires someone with good communications skills

who is able to negotiate with corporate clients: I enjoy making new contacts and establishing relationships with a wide

range of people, and have successfully liaised with Spanish companies when arranging student activities while I was

a Teaching Assistant in Seville. I feel that the position offered would be ideal in giving me the opportunity to use my education

and skills to provide a high level of service for the international client profile you describe. I look forward to hearing from you.

Yours sincerely

Sara Green
