Our technical school occupies one of the oldest buildings in Irkutsk. It was built in 1799. Before revolution it was a boys school. The technical school was founded in 1935.

We have a good canteen and during our lunch break we have our dinner there. There is a gym hall on the second floor. Our library is on the third floor. It contains a lot of text-books and fiction. There is a schedule and a cloakroom on the first floor. Our classrooms are

large and light. Our computer classes have modern equipment. The workshops where we have practical training are on the ground floor.

Our studies began on the first of September and will end in June. Every day we attend lectures and have practice. I do well because I want to be a good specialist. At the end of the term we'll take exams and I must pass them successfully.

Some of our students live in the hostel. It is not far from our technical school. It takes them about 50 minutes to get on foot to the technical school.

Задание №1 (15 минут)

Прослушайте/прочитайте текст.

Hi again... As you already know, I am a first-year student of the college.

Now, let me describe my usual working day. My classes begin at nine o'clock. So on weekdays I have to get up at half past seven. My alarm clock usually wakes me up and my working day begins. I turn on the radio, do my morning exercise, take a shower and brush my teeth. After that I get dressed and comb my hair. Then I have breakfast. I love to listen to the latest news on the radio while I am eating.

I leave the house at ten minutes past eight and walk to the nearest bus stop. I live rather far from the college and it usually takes me about a quarter of an hour to get there by bus. Sometimes when the weather is fine and I have enough time I walk to the college.

As a rule we have 6 or 8 lessons a day. We have different subjects. Usually I don't miss my classes because I want to pass my examinations successfully. But sometimes I do, especially when the weather is fine.

At twelve o'clock we have a big interval for lunch. That's my favourite time. That is the time to share the latest news with my friends. I prefer not to go to the canteen and we often have lunch in a small cafe not too far from the college. At one o'clock we have to be back to our classes. During the working day we also have several short intervals that last for ten minutes.

From time to time I have to stay at the college till late in the evening because I go to the library to get ready for my practical classes or to write a report. As a rule I have no free time on weekdays. So, by the end of the week I get very tired.

I come home at about 7 o'clock in the evening. My parents are already at home. We have supper together. After supper we wash dishes, drink coffee or tea and watch TV. I prefer old comedies and serials or films about travelling. Sometimes I go for a walk in the park or visit my friends.

At about eleven at night I go to bed. I like to read something before going to bed or to listen to some music. Sometimes I fall asleep while I am reading.

Опишите свой обычный день (с опорой на следующие вопросы):	
1. Do you get up early?	
2. Is it easy for you to get up early?	
3. Do you wake up yourself or does your alarm clock wake you up?	
4. Do you do your morning exercises?	
5. What do you prefer: a hot or a cold shower in the morning?

8. How long does it take you to get to your college?
