## Текущий контроль №2 (40 минут)

**Форма контроля:** Контрольная работа (Опрос)

**Описательная часть:** Письменная контрольная работа.

**Задание №1 (15 минут)**

Прослушайте/прочитайте текст.

Hi again... As you already know, I am a first-year student of the college.

Now, let me describe my usual working day. My classes begin at nine o'clock. So on weekdays I have to get up at half past seven. My alarm clock usually wakes me up and my working day begins. I turn on the radio, do my morning exercise, take a shower and brush my teeth. After that I get dressed and comb my hair. Then I have breakfast. I love to listen to the latest news on the radio while I am eating.

I leave the house at ten minutes past eight and walk to the nearest bus stop. I live rather far from the college and it usually takes me about a quarter of an hour to get there by bus. Sometimes when the weather is fine and I have enough time I walk to the college.

As a rule we have 6 or 8 lessons a day. We have different subjects. Usually I don't miss my classes because I want to pass my examinations successfully. But sometimes I do, especially when the weather is fine.

At twelve o'clock we have a big interval for lunch. That's my favourite time. That is the time to share the latest news with my friends. I prefer not to go to the canteen and we often have lunch in a small cafe not too far from the college. At one o'clock we have to be back to our classes. During the working day we also have several short intervals that last for ten minutes.

From time to time I have to stay at the college till late in the evening because I go to the library to get ready for my practical classes or to write a report. As a rule I have no free time on weekdays. So, by the end of the week I get very tired.

I come home at about 7 o'clock in the evening. My parents are already at home. We have supper together. After supper we wash dishes, drink coffee or tea and watch TV. I prefer old comedies and serials or films about travelling. Sometimes I go for a walk in the park or visit my friends.

At about eleven at night I go to bed. I like to read something before going to bed or to listen to some music. Sometimes I fall asleep while I am reading.

We are the caretakers of the earth. We know that polluted air, water and land are harmful to plants, animals and people. In Russia there a lot of regions which are severely polluted. It is plants that pollute our atmosphere with tons of harmful substances. These are very dangerous wastes. They go into the air and are carried by winds for great distances.

60% of the air pollution is caused by different means of transport: cars, trucks, buses.

Then we must remember that when we use aerosol sprays, we destroy the ozone layer which protects the Earth from the dangerous ultraviolet rays of the sun.

Раскройте скобки, выберите подходящий вариант причастия:

**Nessie.**

Have you ever heard of the Loch Ness Monster? Many people believe that there is a huge animal (**living/lived**) in Loch Ness in Scotland.

The animal is about 50 metres long (**including/included**) its tail. Nobody knows anything about its (**eating/eaten**) habits. There are some photos of the animal (**taking/taken**) by different people (**visiting/visited**) the lake, but nobody can prove that they are real.

This animal (**giving/given**) the nickname Nessie has been one of the greatest tourists attractions to the area for years. Expeditions (**sent/sending**) to Scotland tried very hard to find and catch Nessie. And so did individuals (**looking/looked**) for the animal. But there has been no result yet.

Nessie is still a great mystery. Very few things (**knowing/known**) about Nessie are: it has a long and thin neck like a giraffe's, its head is quite small and looks like a horse's, its colour is dark yellow and its habitat is the deepest and the coldest part of the lake.
